2020 Silent Auction

Silent auctions are great “fun” raisers and fundraisers. We are looking for donations of items and services*

to auction off from November 17th – 28th 2020

Highest bidder wins the lot that he or she bid on and proceeds go to help the library! This call is to ask you to donate gifts of items or services valued at a start price of 30 euros. Please fill out the form below to donate. Auction items will be displayed in the library for bidding between the above dates. Thank you ever so much for your support and helping us make the library...the place to be!

* We accept anything of value and interesting...let your imagination run wild! Some suggestions are paintings, experiences such as private dinners, cruises, hot air balloon rides, cooking lessons, gift baskets, gift certificates (restaurants, yoga lessons, massages; weekend in a vacation home or gîte,) etc.
